Chicago-based urgent care sees online scheduling become leading source for in-office and virtual visits

MEET THE PRACTICE

Founded by Dr. Rahul Khare in 2015, Innovative Express Care delivers patient-centric urgent care seven days a week, offering walk-in and scheduled in-person visits, plus virtual care.

A NEXTPATIENT CLIENT SINCE 2017

Committed to giving patients the ability to book appointments online while easing the burden on reception staff, Innovative Express Care tried three other online scheduling platforms before partnering with NextPatient.

As Innovative Express Care has grown, NextPatient has supported a steady increase in appointments booked online.

APPOINTMENTS BOOKED ONLINE BY YEAR

 Telemedicine  In Person

“

NextPatient just works.
